STATINTL

Dear [REDACTED]

As a federal law enforcement officer, I would be very interested in obtaining an unexpurgated copy of your book entitled, "Where's What, Sources of Information for Federal Investigators".

I realize the book is published commercially by Warner Books, Inc. and Quadrangle Publishing Co., but I feel that perhaps certain information was omitted that would be helpful to law enforcement.

As I am sure you already know, the United States Marshals Service performs investigative work in locating fugitives and defendants in civil and criminal cases.

Thank you for your assistance.

Sincerely,

Arthur F. Van Court
